BANTAM BOOKS / NEW YORK

THURBER

Most critics of American literature agree that James Thurber is one of the world's great humorists. His material is American, his treatment universal. He deals with the eternal war between the sexes, the frustrations brought on by recalcitrant machinery, boyhood and youth in a quiet university town, Columbus, Ohio.

In an evaluation of Thurber's genius T. S. Eliot has said:
"There is a criticism of life at the bottom of it . . . His writing and also his illustrations are capable of surviving the immediate environment and time out of which they spring."

**This low-priced Bantam Book
has been completely reset in a type face
designed for easy reading, and was
printed from new plates. It contains the complete
text of the original hard-cover edition.
NOT ONE WORD HAS BEEN OMITTED**

MY LIFE AND HARD TIMES
